

A photograph taken from the driver's perspective of a multi-lane road intersection. The road has several lanes, including a newly painted blue left-hand turn lane on the left side. White arrows on the pavement indicate the direction of traffic. In the distance, a silver car and a blue car are visible. The intersection is controlled by traffic lights, and a yellow pedestrian crossing sign is visible on the right. The sky is blue with some clouds. The text overlay is positioned in the lower right quadrant of the image.

1000 WEST LEFT-HAND TURN LANE
REALIGNMENT. Completed a community survey
of local residents along with a petition.
Presented petition to the Clearfield City Council
that included a recommendation to re-paint the
left-hand turn lanes to improve line-of-sight for
on-coming vehicles to improve public safety.
